

L'Anse Area Schools
July 2023
Employee of the Month
Sheila Royal

Shelia Royal has worked as a coach for L'Anse Area Schools for the past 2 years. She has coached middle school girls basketball and middle school track and will be the varsity girls basketball coach during the upcoming season. Sheila is a member of the KBIC Education Committee and the chair of the L'Anse Area Schools Title VI Native American Parent Advisory Committee. Sheila was nominated for Employee of the Month because of her outstanding dedication to our school throughout the year. In addition to attending Title VI Parent Committee meetings, she has been involved with RAP meetings for consultation on the direction of programs within the school. Sheila regularly gives a lot of her time to run open gyms or supervise in the weightroom. This gives students an opportunity to remain engaged in healthy activity even in the off seasons. She also organizes fundraising for her basketball team to attend summer team camps. She is a good communicator, is very organized in all that she does and works well with other staff members. We greatly appreciate Sheila being a part of our team at L'Anse Area Schools!
