Dr. Rebecca Frost

Dr. Frost has worked at L'Anse Area Schools for almost 2 years now as a high school English teacher. She was nominated for Employee of the Month because of her positive attitude and enthusiasm for the subject matter that she shares with her students. She is energetic and passionate about reading and writing. She holds her students accountable and has high expectations for them and is always willing to take on extra tasks as needed. Dr. Frost teaches a NMU English class to seniors that allows the students to earn college credit while in high school. She also serves on the Public Library Advisory Board. She is always friendly and is respected by students and staff alike. Dr. Frost is a published author of many books and has presented at many national conferences. She lives in L'Anse and in her free time, she enjoys reading, writing and knitting. We greatly appreciate having Dr. Frost as a part of the team at L'Anse Area Schools!
