**March 2025**  
**Employee of the Month**  
***Cindy LaTendresse***

Cindy recently joined the LAS Team in July 2024 accepting the position of custodian and food service employee. Prior to LAS Cindy was a long time employee of Baraga County Memorial Hospital where she retired in June 2024 as a Dietary Manager. Cindy has earned the March Employee of the Month for being extremely punctual and always working hard at her job both in the kitchen and cleaning around the school. She is constantly on the move! Cindy takes pride in her work, she is always willing to do what is needed, and her work ethic serves as inspiration to her colleagues. Cindy lives in Baraga with her husband Tom. Cindy and Tom have three adult sons, and when not working they enjoy their three grandchildren while anxiously awaiting number four. We are grateful to have Cindy as a part of the team at L'Anse Area Schools!
