Employee of the Month
Debbie Olsen

Debbie started working at L'Anse Area Schools as a Special Education Aide in October of 2019 where she discovered her love for helping children. In October of 2020, she took a position as the Great Explorations Coordinator while managing this program in our school with parents and students. She soon realized that she missed one-on-one interactions with students and has returned to her role as Special Education Aide along with bus monitoring. She is devoted to all students being successful. She enjoys helping every child reach their full potential. She is always willing to help a fellow coworker at any time. When she is not in school, Debbie loves to be outdoors and spending time with her family and friends! She believes in living each day to the fullest. She lives with her two faithful companions, Frankie & Otto.

We are grateful to have Debbie as a part of the team at L'Anse Area Schools!
