## **June 2026**

### **Employee of the Month**

### ***Shelley Bianco***

Shelley joined the LAS team in September 1997 accepting the position of Noon Hour/Recess Aide. In 2010 she was awarded the Head Cook position. Shelley has earned the June Employee of the Month for her dedication to providing healthy meals and snacks to everyone in the district including the BHK Preschool class, Great Explorations program & the Summer Food Program. She genuinely cares for each student and staff and goes out of her way to make *everyone* feel special. After 29 years, Shelley will be retiring – to say she will be missed by all is an understatement!

*We have been blessed to have Shelley as a part of the team at  
L'Anse Area Schools!*
